

PUZZLEBOMB

RING WORD

Clues are in alphabetical order of their answers. Each answer starts at a chevron and runs clockwise or anticlockwise as indicated, ending at the next chevron that points in the same direction. Every cell is used in one clockwise and one anticlockwise answer.

SEVEN EVENTS

Each word or phrase is an anagram of a thematic term with an extra letter, which needs to be removed. If the process were to be repeated again, the result would be in Washington State.

- CAMP
- LEGGERO
- REPEAT
- JETMAN
- NICOLA
- ACT JK
- ABBA ROAR

FRAUDOKU

Fill the grid so that each row, column and 3x2 box contains one each of the digits 1-6. Six of the provided clues are wrong (one of each digit).

4		2		4	1
1		3		5	3
	3	2	2		
	6		1		
4	5				6
		5	1	6
