

PUZZLEBOMB

SEVEN EVENTS

Each phrase below is an anagram of a thematic term with an extra letter, which needs to be removed. If the process were to be repeated, the result would be a nice rest.

TRYGRAMS

For each puzzle, arrange the six given trigrams in the grey spaces so that three nine-letter words or phrases can be made by putting the same three-letter word in each remaining space.

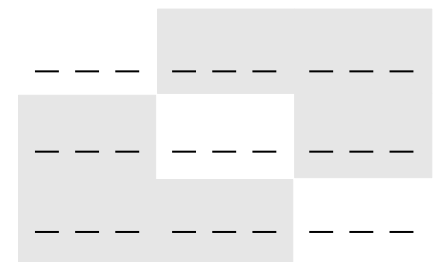

Puzzle 1

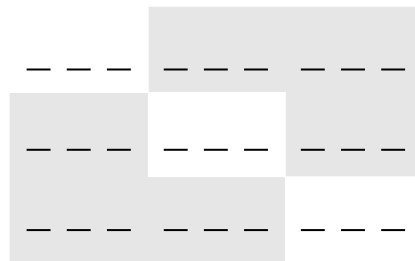

CAN DLE
ERA IES
LLY UTI

Puzzle 2

AFL DIS
ESO HWA
ICA OPS

Puzzle 3

COC COM
ERS ING
KRO LIN

STAIRS

Fill the grid using the digits 1-9 four times each. No row or column can contain the same digit more than once. The total of each row and column is provided, as well as clues to the numbers forming the highlighted diagonals (running from bottom left to top right).
