APIS CLUES

In the Count of Monte Cristo, Edmond Dantés pretends to be a LORD, a CORPSE, a CLERGYMAN, a CLERK, and SINBAD THE SAILOR.

APIS CLUES: devised by @apisclues.

1. Peer right into headless fool - LORD
2. Laugh inappropriately when dogger's bottom is seen in trees - CORPSE
3. Priest's cry when mangled with mangled mangle - CLERGYMAN
4. Office worker transforming yesterday's good young man into king - CLERK
5. Disordered, bland histories about a Middle Eastern fellow who was carried away by a giant bird - SINBAD THE SAILOR
